Brothers and Sisters,

The 5th Circuit Court of Appeals has denied our request for a rehearing of the A/C Cleaning grievance. We had petitioned the 5th Circuit of Appeals for a "Rehearing En Banc." En Banc means to be heard by the entire court of 15 judges instead of only 3 judges that originally ruled on the appeal. This denial has closed any reasonable legal options available to this Local. This article will be addressed in the upcoming contract negotiations. It is our intent to enforce the contractual language and return this work to the proud, capable, and professional members of TWU 555.

Fraternally,

TWU 555 Local Executive Board
