District I Representative, Morial Hayes, has resigned his employment at SWA and his position with TWU Local 555 for personal reasons. He is no longer the District I Representative effective 1/29/19. The Alternate District Representative, Basheen Harris, BWI Operations Agent, has assumed the duties as the interim District Representative as mandated by the TWU Local 555 By-Laws. The By-Laws state in Article Four, Section Two, Appointed Representatives:

The Alternate District Representatives shall perform the duties of the District Representative in the absence of that Officer and in case of removal, resignation, or death of that representative, until an election is held.

The Local will conduct an election, for the position of District I Representative, as soon as all DOL requirements for the conducting of an officer election are satisfied. TWU 555 Election Committee will conduct the election as soon as possible.

This Local is appreciative of the selfless, dedicated, and capable leadership Morial displayed while representing the proud members of District I. Please be respectful of Morial's privacy in this time of change. Below is the contact information for Basheen:
