HONORING LOCAL 555 RETIREES

August 28, 2020

Brothers and Sisters,

It is with great honor and appreciation that we would like to take a moment to congratulate and offer our sincere gratitude to our members who have chosen to retire by way of the Voluntary Separation Program otherwise referred to as VSP. The contributions each and every one of you have made to our Local over the years as well as to our Company have played a significant role in the shared success that we have all experienced.

During what continues to be one of most historically difficult periods in the aviation industry, each one of you made a decision that not only affects you and your family, but your brothers and sisters within our Union. We recognize that these decisions were not made lightly and will have a resounding effect on us all.

Your Local Executive Board stands in solidarity with all of our members in wishing you the best in your future endeavors, whether that be embarking on new career paths or simply enjoying retirement years among family and friends. Thank you once again for your service and sacrifice and know that you'll always have brothers and sisters at Local 555.

Fraternally,

Local Executive Board
