Brothers and Sisters,

I am proud to announce that TWU Local 555 now has six members appointed to leadership positions within the Transport Workers Union International, the most in our Local's history. With this expanded presence, we now hold a greater voice in shaping national policy, protecting worker rights, and influencing the future of the Air Division across the Transport Workers Union of America.

At the recent TWU 27th Constitutional Convention, TWU International selected the following members to serve in the noted capacities:

TWU International Executive Council

President Tony Slavings

TWU International Executive Board

1st Vice President Tyler Cluff
District 3 Representative DC Chriss
District 4 Representative JP Loregnard

Civil and Human Rights Committee

Shirley Duff - OAK

Training/Organizing/Civil and Human Rights Departments Special Project Assignment

Randy Barnes - CLE

We can all take pride in this milestone, and it is proof that when we work together, we elevate our standing in the industry. Our influence within the TWU family has never been greater, and that presence will continue to serve our members at every level.

Please join me in congratulating our Local 555 members who will represent us with pride, passion, and unwavering dedication.

Together, we move forward, stronger than ever.

Tony Slavings
President
