## **STATION REP OF THE QUARTER – 3<sup>rd</sup> QUARTER 2024**

### **Congratulations to Melissa Forester Station Representative of the Quarter 3<sup>rd</sup> Quarter 2024**

This award is given to Station Reps who by nomination of Members, and selection by the Local Executive Board, have gone above and beyond their normal duties, and exemplified the dedication that is truly worthy of recognition.

### **Rep of the Quarter Questionnaire**

**What station are you in, position, and how long have you been with the Company?**

Baltimore Ops since February 2013.

**Tell us some of your interests and hobbies.**

Spending time with my kids and family, traveling EVERYWHERE, and spoiling my dog. Advocating for Addiction and Mental Health Recovery Awareness.

**What do you like most about being an elected Station Rep?**

The people. The Ops agents in Baltimore are like no other agents I have ever worked with at Southwest. The care and love that they have for each other is unmatched. The Union team that we have in Baltimore is equally unmatched. We have one single goal every day and that is doing the right thing. When I am sitting on our side of the table, and I look to my left or right I know that I am supported and surrounded by like-minded Union Representatives, all here for the purpose of ensuring our contract is honored, preserving the culture of our company, holding the Company accountable for their promise and mission statement to us, and getting the right thing done for our agents.

**What would you tell others who may be interested in running for Station Rep?**

The job of a Station Representative, although it can be exhausting and challenging, is equally as rewarding when your work makes a difference and impact on the lives and livelihood of your co-hearts and their families.
