RE-ELECT
JESSICA HAYES
FINANCIAL TREASURER

MATTERS

My name is **Jessica Hayes** and I am running for re-election for **Financial -Secretary Treasurer** and I am asking for your support. I am a 20+ year agent and I have served the membership as a representative in one capacity or another for over 10 years. When I was first elected, the Treasurer's office was left in disarray and in need of total revamping. Through diligent work and with the help of office staff we were able to climb out of the enormous hole that was left for me. With determination and hard- work I have begun building a financial department for the local to ensure the efficient and accurate recording of the finances and to safeguard the assets. This new system has allowed the timely and accurate filings, payments and distribution of funds for the various bills, which has kept the local in good financial standing in all areas. I have also worked to find safe and profitable capital investments which have placed the local in a better position for our upcoming negotiations and the many challenges ahead that we may face. With your support we will be able to continue the progress that we have gained and ensure that we achieve the bright future that we all deserve. It is time that we move forward in a **NEW DIRECTION** with a **NEW VISION** for a **Brighter Future.**
