YOUR VOTE MATTERS

JAMES BARRETT FOR DISTRICT 7 REPRESENTATIVE

My name is James Barrett, and I am running for the District 7 Representative position. I have been employed as a Ramp Agent at LAX for 27 years. For the past 23 years, I have represented the TWU members in various positions. I served as an Alternate Station Rep and then was elected as the LAX Ramp Rep for the past 8 years. For the past 5 months, I have been serving as the District 7 Rep and I am asking for your vote to continue in this position for the next 3 years. I have been fighting for the rights of the members of this Local for the past 23 years and will continue to do so to the best of my ability. I am committed, focused, and motivated to fight for the rights of every member in District 7 and the entire membership when voting as a member of the Local Executive Board.

There are many challenging issues facing this Union and the membership due to the pandemic. The rules and regulations from SWA and the CDC continue to change, and I am continuing to stay informed with these changes to better serve the membership. There are 5 California stations in District 7, and I am constantly helping members deal with the California Protected Leave Act. I have been advocating for the members in helping them deal with all the leave laws and changes since its implementation. There have been many issues at LAX pertaining to the California protected leave act and I am very knowledgeable with this Act and have kept up with all the changes. I have assisted many other members throughout the District with the leave laws as well. As I am sure everyone is aware, we are beginning the CBA negotiation process and I will be an asset due to the multiple contract changes that I have dealt with over the past 27 years. One of the most important responsibilities that I have as an LEB member, is to make sure the concerns and issues of the members of District 7 are addressed and resolved.

I, along with my Alternate District 7 Representative and longtime LAS Station Rep **Jay Fenimore** will hold management accountable when issuing excessive discipline and protect the rights of our members as outlined in the collective bargaining agreement between SWA and TWU 555. If I am elected as your District Rep, I am committed to providing the best representation to all members to the best of my ability. Thank you for your consideration and be safe and watch out for one another.
