Certificate of Results for: TWU Local 555, Officer Election 3962101
Ballot Concluded at 1:52 p.m., March 29, 2021

Dear Election Committee Chairperson:

TrueBallot, Inc. was appointed Impartial Balloting Agency to supervise the conduct of the ballot with respect to the TWU Local 555, officer election. The ballots were tabulated on March 29, 2021.

The ballot and materials were approved as to form. A total of 14,153 ballots were sent to the general membership. Voters voted via mail. A total of 81 duplicate ballots were sent to members. No voters were added to the list. A total of 194 ballots were returned as undeliverable by the USPS. The balloting period was from March 3, 2021 to March 29, 2021. The United States Post Office in Dallas, Texas acted as depositor for receipt of all ballots. TrueBallot, Inc. was authorized to act as coordinator during the balloting period, to mail duplicate ballots to any member on authorized request for a duplicate ballot, and to keep a record of all duplicate ballots mailed. Returned mail ballots were collected from the post office and returned to the tally site on March 29, 2021.

Of the ballots mailed to the general membership entitled to vote, 3,047 ballot envelopes were returned and registered against the list of eligible voters. Any duplicates or ineligible ballots were removed. The mail ballots were removed from their secret ballot envelopes, and 3,037 ballots were counted.

After the ballots were registered, the outer envelopes were opened, and ballots were removed. Ballots were optically imaged and processed to obtain the data. Rules were applied to the data to remove void data from the tally. Questionable ballots were audited and corrected as needed.

The results of the balloting are herewith certified and are attached hereto. It is our opinion as Impartial Balloting Agency that the results of the balloting are true and accurate, the ballots were properly counted. At the end of the counting, all ballots and materials were placed in appropriate containers, sealed, and delivered to the organization. A CD with all the ballot data and ballot images was delivered along with the ballot materials.

Respectfully submitted,
