Re: Survey

Brothers and Sisters,

Now is the time for your voice to be heard. If you have issues with the current contract – Let us know.

It is not enough to grumble about language in the current contract that you do not like. Take the survey. Tell us what your highest priorities will be in the upcoming contract talks. We are here to represent you. Now is the time to pursue change that will improve our lives and working conditions.

The open-ended survey allows you to write in your top five priorities. There is also a place to add any comments or concerns, as well as a place to sign up for important updates via text messaging. To take the survey you can scan the QR code on the poster at your station, go to www.surveyking.com/twu or go to twu555.org. The survey will close at midnight CST on April 9.

The recent episodes of Negotiating News that discuss the survey are on the TWU 555 YouTube page at <https://youtu.be/LkHHzLr9Fho> and https://youtu.be/-ifi_5FuTrQ

Now is the time to let your voice be heard.

We are here. We are Listening.
