Constitutional Convention Delegates Election

Election ballots will be mailed out by Tuesday, July 13th, and elections will close at 0900am CT on Friday, July 30th, at which point all ballots will be retrieved by TrueBallot from the Post Office box. Results will be posted as soon as the count is finished.

The 26th regular TWU International Constitutional Convention is scheduled to convene on Monday, September 13th and continue through Friday, September 17th. The major function of the Convention is to formulate and adopt programs and policies designed to promote the welfare of our Union and its members in city passenger transportation, airlines, railroads, utilities, municipalities, schools, service, university, space, and allied industries. The delegates you elect will be participating in committees, and voting on these programs and policies.

Local 555 is entitled to 48 delegates per the TWU Constitution (one delegate for the first 300 members and one for each additional 300 members or majority fraction thereof). The 13 members of the Local 555 Board will be delegates, leaving 35 to be distributed evenly through the districts (4 per district, with an additional 3 delegates "at large" based on highest number of votes from the remaining nominees, regardless of district. There will be other "at large" delegates named via the same process, to be Alternates in case an elected delegate can not attend the convention for some reason.

District 2 only had 4 nominees, so there will be no election in that District, and those nominees are awarded Delegate status by acclamation.
