SENIORITY CHECKING TOOL

The member that was running the Seniority Checking Tool website no longer works for SWA, and was unable to continue updating the tool. He was also unable to pass on the information as to how he created and updated the tool, and the domain name for the website has now expired, so the website and the tool are no longer available.

The Union is working on a whole new website, and hopefully we will be able to put a new tool there for your use.
